players

 10-15  
minutes

- 
- flash cards x 48
  - tiles x 100

-  Through this game, students are able to:
- practice Chinese character' pronunciation
  - develop Chinese vocabulary
  - work with other teammates
  - practice writing (advanced version)

Lay all tiles on a flat surface.

Draw a flash card from the bag, show it to everyone and place it in the middle.

Each player/team searches for the tiles that can make up a phrase with the card, e.g. 十 (ten) + 天 (days), 十 (ten) + 四 (four).

The player/team who matches more tiles wins!  
Advanced: write down other characters that can match the character on the flash card.
